Dear Sir:

This is a petition to transfer a response filed under Serial No. 10/755,492 to the file of Serial No. 10/775,492.

An Office Action for the hereinabove referenced Serial No. 10/775,492 was mailed on August 1, 2005.

A response to the Office Action was filed on October 14, 2005 under a wrong serial number of 10/755,492, copy attached. The title of the application, filing date, Examiner (Charles E. Phillips) and art unit 3751 were correctly identified on the response. Only the serial number is in error.

In a telephone conference on March 29, 2006, Examiner Phillips informed the undersigned attorney of record that the amendment, in fact, was filed in Serial No. 10/755,492 on October 14, 2005 and presently resides there. A postcard was returned

from the U.S. Patent and Trademark Office indicating receipt of the amendment, copy attached.

Inasmuch as the amendment was timely filed, the Applicant respectfully requests that the amendment be transferred from the file of 10/755,492 to the file of 10/775,492.

Please charge any fees required to account number 08-0114.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Walter A. Hackler', written over a horizontal line.
